Project Summary

Objectives

To investigate the real knowledge of VET students about cultural distance, cultural differences and their importance in reducing discrimination.

To provide VET centres with tools to fight cultural distance and social exclusion.

To assist in the creation of an inclusive VET education, which motivates multiculturalism and works towards the feeling of European belonging.

To create a multicultural community among VET students and VET centres in the EU.

To promote peer-learning among VET education.

Activities

- Cultural Distance Monitor to measure the VET student knowledge on Cultural Distance
- Action Plan to provide training to VET students about cultural distance, cultural differences and their importance in reducing discrimination
- Cultural Bootcamp to promote the learning about other cultures
- Cultural exchanges to increase the exchange between VET students
- Project Platform to access all content

Impact

SOCIAL CLUB Action Plan: create and Action Plan for VET institutions to raise awareness about cultural distance among their staff and students, and to generate a knowledge about culture.

SOCIAL CLUB Cultural Bootcamps. Provide VET centres with activities and options to promote cultural inclusion among their students.

SOCIAL CLUB Platform. The Platform will provide direct access to all content created in the project, facilitating its use to other interested VET centres.
